Year 6 SATs Week Information

Dear Parents/Carers

The children in Year 6 have all been working incredibly hard in class and have had plenty of practice at past papers- this has enabled them to become familiar with the types of questions to expect, layout of the papers and get used to working to a given time limit. They are now all growing in confidence in all these areas!

This year SATs week will begin on **Tuesday 9th May 2023**. It is most important that your child attends school during all of test week and arrives promptly each day. Please ensure that your child gets plenty of sleep during the test period and comes to school well rested!

To enable the children to come into school and feel relaxed, we will be running a breakfast club each morning (Monday to Thursday) from 8:20am - please note this is for Year 6 pupils only. The children will be able to come into school and enjoy breakfast with their peers. This will be provide free of charge to pupils in Year 6.

All the children are well prepared for the tests and on the day all we ask is that they concentrate, read the questions carefully, check through their answers and do their best! There is no need for anyone to be worried or anxious! Below, you will find a timetable for the week so that you know which tests your child will be taking each day. All tests will take place in the morning.

2023 SATs week Timetable (W/B-08/05/2023)

Date	8 th May	9 th May	10 th May	11 th May	12 th May
